

CASE STUDY

VISTAGE

Private advisory groups for MDs,
executives and business owners.

70 Executive Retreats 2009-2022

AT A GLANCE

Challenges

- Better decisions
- Energy and stress levels
- Fulfilment and meaning

Benefits

- Wiser decisions
- Increased self-awareness and emotional intelligence
- Sharper, calmer mind
- Greater leadership autonomy, less ego and more soul

"Fantastic, maximum scores 10.0's from everybody. Clean sweep. Juliette was honest, real, vulnerable and motivating. Unlike other speakers, she was very authentic and passionate. Genuine and great delivery.

Adrian Sharp, Vistage Group Chairman

Unravels issues, thoughts and emotions that have been locked away for years. Juliette truly cares and puts everything into it. I have been fortunate to spend time in her presence.

Adam Harris, Vistage Group Chairman

...lead us to uncomfortable and challenging places...voted by our members as the best ever. Enthusiasm, passion, sense of fun and excellent, sincere listening skills...a lasting effect.

Peter Doggett, Vistage Group Chairman

OBJECTIVES

Vistage is designed for top executives who shoulder the weight of their company's most important decisions. Personal leadership development is fundamental to maintaining high performance, innovation and engagement. The need for challenging and thought-provoking speakers is paramount to success of the Vistage business community.

SOLUTIONS

At the leading edge of personal transformation, my retreats explore the crucial role of our inner Self in becoming wiser, stronger and more authentic leaders. These personal shifts in awareness from ego to soul develop wisdom, compassion, courage and vision.

BENEFITS

One

Increased self-awareness, emotional intelligence and creativity.

Two

Greater access to intuition and inner guidance.

Three

Sharper thinking and a calmer mind.

Four

Dethrone the ego and connect with soul.
